

### **Branded Title/Lemon Law Program**

Veritas Global is pleased to announce that we are now offering our programs on vehicles with Branded Titles and/or "Lemon Law Buyback Vehicles".

While we are pleased to offer this service, due to the extreme risk involved, there are several restrictions that dealers should be aware of.

We will NOT permit the sale of our Service Contracts or Programs on the following vehicles:

- Vehicles that have been subjected to any natural disaster such as floods, tornadoes, hurricanes,
- lightning, or catastrophic hail damage. Minor flood damage will be covered.
- Vehicles that have been declared a total loss due to a catastrophic collision.
- Vehicles that have been subject to excessive water, fire, or heat damage.
- Vehicles with over 100,000 miles on their odometer.
- Vehicles with a selling price over \$50,000.00.

**If you wish to use our program, please fill out the attached agreement and return it to your agent or [support@veritasglobal.com](mailto:support@veritasglobal.com).**

**Please note, on every vehicle you sell, you need to maintain and have available upon request the following documents**

- A copy of the branded title
- A copy of the new title (if applicable)
- A copy of a document showing the details of why the title was branded
- Proof that the issue causing the title to be branded was cured, rectified, and fixed
- A copy of an inspection report showing the vehicle has no further issues

**Please be prepared to submit all of the above mentioned documents in the event of a claim. Inability to produce these documents may result in the denial of a claim.**

If you have any questions, please call dealer support at (888) 585-1530 or contact your agent.
